***Dancers should be back stage at least 5 performances ahead of their dance to line up for their performance.** Dancers will lineup in the hallway between the ballroom dressing room and backstage. Room mothers/stage moms will stay with dancers until their teacher arrives to bring them to the stage.

**** We are happy to continue to offer reserved “Dresser Row” in the audience this year!** We will have a row reserved on the floor for mothers/ dressers to view your dancers performance, without having to make your way back to your seat or stand in the wings to watch your dancer on stage. Dresser rows will have reserved signs on the back of the chairs. It is the last row of seats on the audience floor. Please be courteous- these seats are for only one dresser per dancer and we ask that you exit immediately following your dancers performance. These seats will be monitored and any person sitting more than one number will be asked to leave the row.

*** Finale- We would love all of our students to be apart of the finale!!!!** Students are required to wear their revue t-shirt and black bottoms on stage and no shoes. *Students will line up backstage according to ages, 5 numbers before finale.* The pictures of finale are some of our favorites....We look forward to having everyone on stage together at the end of the show! After the curtain closes, younger dancers will seat onstage and wait for their guardian to pick them up.

As we count down the last days until the revue, we would like to thank everyone for a wonderful year....it has been a pleasure working with you all. We hope you had a great year!!!! Check out our fall registration dates in revue book- we hope you will join us again in September. We are looking forward to great memories together!
